Age Friendly Uplift Grant Application Questions

UPLIFT
FOR HEALTHIER GENERATIONS

These are questions you can use in your application development process if the young people you're working with won't be submitting the application themselves. These are more appropriate for younger students, and can support you to collate their ideas when submitting the application on their behalf.

Questions for your teachers

- When will your project(s) start?
- When will your project(s) end?
- What kinds of things will you be able to do with your new items? What new things will you learn?
- What new skills will students gain?
- What opportunities will this create for teachers?
- Why is this project good? What will this project look like in 3 years?

What students to do

Describe your project(s)

- What is the project's name?
- What is the simplest explanation of your project?
- What are you asking for and how will you use it?
- What is already happening at your school that is related to your project?

Sharing your project(s)

- Who could help you with this project? What could they help you do?
- How will your class share this project with others? With who?
- How will you measure success?
- How will you celebrate your work

Budget

- What will you have to pay for?
- How much will these things cost?
- What research is necessary
- What equipment do you need?

How will your project be good for your school?

- Why is this project good?
- What will this project look like in 3 years?
- How will this project make students and staff feel?
- How will your project support students to connect and build relationships?
- What new skills will you gain?
